**LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 01-41**

Dear Ms. Elliott:

As a result of inspections conducted on July 18, 2001, July 19, 2001, August 3, 2001, August 31, 2001 September 21, 2001 and November 9, 2001, the Department of Environmental Services, Waste Management Division (DES) issued Letter of Deficiency No. WMD 01-41 to you. Subsequently, the subject property was transferred to a new owner who took responsibility for the wastes of concern. Based on the new owner's submittals in response to this Letter of Deficiency, and a follow-up inspection by DES personnel conducted on June 23, 2005, DES has determined that the deficiencies identified in Letter of Deficiency No. WMD No. 01-41 have been satisfactorily addressed.

This letter does not provide relief for or otherwise address any other deficiencies that may now exist or that may arise.

If you have any questions regarding this Letter of Compliance, please contact Michael Galuszka at (603) 466-5389. We appreciate your cooperation in resolving this matter.

Sincerely,
